

Dear Parent/Guardian:

This year in the effort to go Green McCann Tech will be changing our procedures as far as certain documents ( Network Acceptable Use Policy, Medical Emergency Authorization, Field Trip Permission, and Military Information release)that are mailed home to student's each year. This form will be kept on file for the duration of your child's school career here at McCann. In addition, for your convenience, we will be sending your students Emergency Information form (grades 10, 11, 12) for corrections or additional information only. Freshmen will need to fill out an original Emergency Information form.

**NETWORK ACCEPTABLE USE POLICY**

The Network Acceptable Use Policy (NUP) is included in the Student Handbook. In addition, it is available for download at <http://www.mccanntech.org>. Students and families will no longer be required to sign an acknowledgement and consent form to use computers or the Internet. All students are expected to read and adhere to the guidelines and specifications of the NUP.

**MEDICAL EMERGENCY AUTHORIZATION:**

I/we hereby acknowledge that we may not be available to provide consent for medical treatment in the event that our child becomes sick or is injured during participation in a school authorized activity. If I/we are not available for such consent, I/we authorize the McCann Technical School's representative to act on my/our behalf with respect to any medical treatment for my/our child in the event of an Emergency: I/we agree that this person will not be held liable while acting according to these directions.
