NORTHERN BERKSHIRE VOCATIONAL REGIONAL SCHOOL DISTRICT

NOTICE OF VACANCY

INFORMATION TECHNOLOGY INSTRUCTOR

POSITION SUMMARY

Letters of application are being accepted for the position of information technology instructor, grades 9-12. All applicants must be licensed or licensable by the Massachusetts Department of Elementary and Secondary Education (DESE) as an information technology instructor, grades 9-12. Teacher license standards and curriculum frameworks are available on the DESE website, (www.doe.mass.edu). Applicants should be familiar with the SkillsUSA program standards (www.skillsusa.org). Applicants must be able to teach all aspects of the DESE information technology curriculum and have the ability to work with young adults. Applicants are responsible for ensuring assessment data is analyzed and used to evaluate and improve curriculum and instruction. Crucial to professional success is the ability to adapt to current educational scenarios, implement change, and maintain flexibility.

QUALIFICATIONS

1. Knowledge of instructional practice and individual learning styles.
2. Knowledge of technology-assisted teaching techniques and internet-based research.
3. Knowledge of formative and summative assessment practices.
4. Knowledge of the DESE information technology vocational curriculum frameworks.
5. Knowledge of the CompTIA certification standards.
6. Knowledge of Internetworking standards.
7. Knowledge of the SkillsUSA curricula.
8. Knowledge of skills and techniques for successfully working with students on Individual Education Plans (IEPs), 504 Accommodation Plans, and making the related necessary classroom accommodations.
9. Knowledge of the Massachusetts Model System for Educator Evaluation.
10. Must possess a valid state driver's license.

DUTIES AND RESPONSIBILITIES

1. Implement the DESE information technology standards-based curriculum.
2. Ensure assessment data is used to improve curriculum and instruction.
3. Implement the SkillsUSA curricula.
4. Create a safe classroom environment conducive to student learning.
5. Utilize standards-based teaching, assessment, and grading for all aspects of the information technology program.
6. Effectively plan daily lessons that are aligned to school standards, foster student engagement, and employ a variety of instructional techniques and resources to meet the needs of all students.
7. Implement all schoolwide initiatives and facilitate student's involvement.
8. Ability to transport students in school vehicle (s).
9. Assume the obligations ordinarily associated with the teaching profession.

SALARY

In accordance with the School District Agreement.

EOE STATEMENT
