Dear Family:

Please find enclosed the first quarter progress reports that describe your student's progress toward meeting each annual goal as outlined in his/her current IEP. These are mailed to you after the completion of each quarter on the school calendar, which means you will receive progress reports for your student three more times this school year. We hope you find these to be informative in explaining your student's progress throughout the school year.

We would also like to take this opportunity to invite you **to a family engagement event** we will be hosting virtually on **Wednesday, January 13<sup>th</sup> through Zoom from 5:30 – 6:30 pm**. We will be having our first **Special Education Parent Advisory Council (SEPAC)** meeting. At this meeting we will be establishing our SEPAC, which is for parents of students with disabilities, and other interested parties, that form a collaborative partnership with the school to provide input on matters that pertain to the education of students with disabilities. We will also be reviewing the Parent's Notice of Procedural Safeguards document that was emailed to each of you earlier this school year, or included in this mailing for those that requested a paper copy. Please see the enclosed announcement for further information regarding this event.

I hope you will be able to join us for this family engagement event. If you would like more information or have any questions, please do not hesitate to reach out to me using the contact information included below.

Very Truly Yours,

Kristin Steiner  
Director of Student Services
